

**Sunday, February 4, 2024**

*Greetings!*

The Chesapeake Conference Center is hosting its annual Father-Daughter Dance called Princess Ball on Sunday, February 4, 2024 in celebration of little girls and their fathers. Join us for an enchanted and fun-filled afternoon of father-daughter bonding, laughter and love. There will be fun royal activities with many exhibitors who will be there to give your princess some glitz and glam! VIP Royal admission doors open at 11:30 a.m. and general admission doors open at 1:00 p.m.

Our mission is to create a sweet magical experience for young girls; one where they feel like the princesses they are with their first love... their father.

I am writing this letter to invite you to be a sponsor of this royal celebration. As a leader in our community, your involvement with this event is an opportunity for your organization to receive exposure in helping to support our mission. You will be joining other individuals and organizations to celebrate these princesses in our community, while helping to build strong father-daughter bonds. Our community sponsors are our primary source of funding for this event and will help to ensure its success.

We have four levels of sponsorship available:

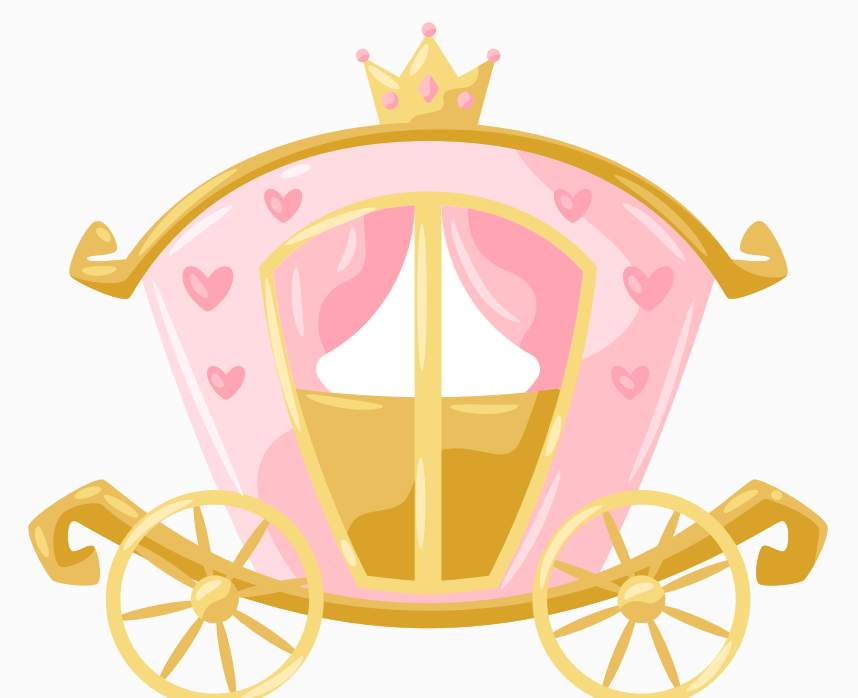

**Happily Ever After Presenting Sponsor (1 available) \$3,000; Magic Storybook Sponsor \$1,500; Fairytale Sponsor \$950; and Once Upon a Time Sponsor \$350.**
